November 2015

Dear Parents and Guardians of Barclay Early Childhood Center:

It was wonderful seeing so many of our parents in attendance during Back to School Night. Thank you for coming out and participating in this opportunity to meet your child's teacher, as well as other members of our school.

Beginning on November 2, we will implement the Assisted Drop Off procedures, starting in the afternoon only. Windshield placards and instructions have been sent home to parents who have met the criteria of dropping off a child at Barclay while another child remains in the car. AM Assisted Drop Off will begin on Monday, November 9th. It is essential that no cars park alongside the yellow curbing, as our buses will no longer be permitted to loop around the back of the school. Buses will need full access to the full length of yellow curbing. If you qualify for the Assisted Drop Off, but have only 1 child in your car on any given day, you will need to park the car and escort your child into the school. We will not unload cars in which there is only 1 child. As a school community, we want the new Assisted Drop Off procedures to work. Your cooperation is appreciated.

If you feel that you qualify for Assisted Drop Off and missed the letter that went out, please stop by the office and we'll be happy to assist you.

Please note the following changes to the schedule for the month of November:

- November 5th and 6th – all Cherry Hill Public Schools are closed
- November 19th and 20th – All pre-school programs closed – Ms. Prisk's Social Skills classes will be held as usual
- November 25 – full day Barclay programs dismiss at 12:00. PM classes cancelled. AM as per usual.
- November 26th and 27th – all Cherry Hill Public Schools are closed

The PTA has a General Membership Meeting planned for November 12th as well as Coach Bingo on November 13th. I hope to see you there!

My door remains open to your questions, concerns, and ideas.
Sincerely,

Karen Rockhill
Principal
Barclay Early Childhood Center

The vision of the Barclay Early Childhood Education Center is to serve as a lighthouse early childhood education program by exemplifying best practices to meet the needs of all the children in our community.
