December, 2016

Dear Parents and Guardians of Barclay Early Childhood Center:

Your child has completed an entire marking period of pre-school! I hope your child has enjoyed all of his or her experiences so far and that you were given a thorough understanding of your child's progress during the Parent/Teacher Conferences. Just a reminder that you are welcome to meet with our teachers at any time you have a concern; you simply need to call the office to set up an appointment.

There's always a lot of excitement during the month of December as many of our families celebrate holidays and traditions. We will be conducting school with a "business as usual" approach, as the children do well when they can depend on routines in their day.

All Barclay families are invited to attend Family Movie Night on Thursday, December 8. The film will be "Follow That Bird," featuring everyone's favorite giant yellow feathered friend, Big Bird. The film begins at 6:00 PM. All children must be accompanied by an adult. This event is free and sponsored by our PTA.

Please remember to send your child to school with a coat, hat, and gloves. We will be going outside even during the winter months, barring freezing temperatures, snow, or excessive wind chill.

Just a reminder – Please hold your child's hand when walking. Many of the children get far too close to the buses. The bus drivers, while always on the alert, cannot always see when objects (including children) who are beneath their field of vision.

I wish all of our Barclay families a wonderful Winter Break.

School will resume on Monday morning, January 2, 2017!

Sincerely,

Karen Rockhill
Principal
Barclay Early Childhood Center

The vision of the Barclay Early Childhood Education Center is to serve as a lighthouse early childhood education program by exemplifying best practices to meet the needs of all the children in our community.
